PROPERTY DESCRIPTION

Designed from the ground up to exceed NDIS Specialist Disability Accommodation (SDA) Robust Category standards, this home offers a perfect balance of exceptional durability, personal safety, and dignified modern living.

This purpose-built home features high-impact resistant materials, acoustic insulation, and secure retreat spaces to ensure a calm, safe environment for residents with complex behaviors or high support needs.

Key Robust & Safety Features

?? Structural Durability & Materials

- **Reinforced Wall & Ceiling Sheetrock:** High-impact resistant plasterboard (e.g., Novirock/Impactchek) throughout all living areas and hallways.
- **Shatter-Resistant Glazing:** Laminated safety glass or polycarbonate window glazing to withstand heavy impact.
- **Heavy-Duty Joinery:** Reinforced cabinetry with concealed soft-close hinges, heavy-duty drawer runners, and tamper-resistant fixings.
- **Commercial-Grade Flooring:** Seamless, slip-resistant vinyl flooring (R10/R11 rated) with curved skirtings for easy cleaning and high impact resistance.
- **Reinforced Internal Doors:** Solid-core doors equipped with heavy-duty hinges and secure lever handles.

? Safety, Security & Behavioral Support

- **Secure Retreat Spaces:** Dedicated quiet zones and private breakout areas to assist with sensory regulation and de-escalation.
- **Recessed & Secured Fixtures:** Recessed LED lighting, flush-mounted fire alarms, and covered power points to prevent accidental damage or tampering.
- **Enclosed Appliances:** Kitchen appliances (oven, rangehood, dishwasher) built into locked or enclosed joinery units.
- **Acoustic Soundproofing:** Enhanced sound insulation in walls, ceilings, and internal doors to reduce ambient noise transfer between rooms.
- **Secure Perimeter & Outdoor Areas:** Fully fenced, impact-resistant outdoor courtyard with secure access gates and smooth level pathways.

Room & Layout Details

- **Participant Bedrooms:** Each bedroom includes a private ensuite bathroom, built-in wardrobes with reinforced shelving, soundproofed doors, and space for personalized calming setups.
- **Ensuite Bathrooms:** Fully accessible, slip-resistant wet rooms with recessed grab rails, tamper-resistant plumbing fixtures, and concealed drainage.
- **Open-Plan Living & Dining:** Spacious layout with wide hallways (>1200mm) allowing clear lines of sight, easy maneuverability, and smooth airflow.
- **Onsite Overnight Assistance (OOA):** Dedicated office/bedroom for support staff, complete with a private bathroom, monitoring access, and separate entrance.
- **Climate Control:** Zoned, ducted heating and cooling with tamper-proof wall controls accessible to support staff.
